XDC – PRESS RELEASE

XDC To Install 2 Kinoton Digital Systems at The Cannes Film Festival

As the official digital cinema partner of the Cannes Film Festival, XDC is providing for the Cannes Film Market, one 2K DLP Cinema[®] Kinoton DCP30L projector¹ which will be installed into the Bory auditorium and one 2K DLP Cinema[®] Kinoton DCP30L projector which will be placed inside Espace Miramar for Critics' Week.

"Tacc Kinoton France, which is a recognized partner for the delivery of high quality products and services and which is the exclusive importer in France of the Kinoton equipments, is very proud to be associated with XDC for this 60th Cannes Film Festival.", said Jean-Noël Fagot, Executive President of Tacc Kinoton France. "Our company is well committed to offer a complete range of 2K DLP Cinema[®] projectors as well as technical solutions particularly suited to the needs of the digital cinema industry. Hence, together with XDC, we will offer the opportunity to thousands of movie-goers to enjoy, during Cannes Film Market and Critic's Week, the benefits of optimal screening conditions."

¹ DLP Cinema is a registered trademark of Texas Instruments.
